### Façade Grant 2023

The Central Huron Façade Grant Program includes Façade improvements for all properties in Central Huron that are designated as Commercial in the Central Huron Official Plan. The Municipality has set aside funds to assist property owners in the expansion or improvement of the building Façade or signage.

Application deadline is  
February 29, 2024.

### Donation Fund 2023

The Municipality of Central Huron sets aside funds to assist and promote community based non-profit organizations each year. Funding is also available for national and international non-profit organizations whose programs demonstrate a direct benefit for the residents of our Municipality.

Application deadline is  
April 2, 2024.

211 is a community information service linking people to important local programs and services in a time of need. 24 hours a day, 7 days a week, 365 days a year in over 150 languages.

When someone dials 2-1-1, a trained 211 Navigator will talk through their challenges and connect the individual with community services that can help. By providing a central source of information, 211 helps people quickly before they reach a crisis point. 211 connects individuals experiencing poverty, hunger, homelessness, mental health issues, social isolation and domestic violence with the right resources.

## FROM THE MAYOR'S DESK

### GREETINGS FELLOW RESIDENTS,

As I write these words it is sunny with double digit highs....in December! I would rather be outside. Fortunately this years guide is packed full of adventures and opportunities for everyone to get outside and enjoy the beauty and serenity of our community. Try the historic walking tour of downtown Clinton, and while doing that, take in our revitalized historic murals and three new murals. See the murals come to

life by simply downloading the Artivive app to your phone or tablet.

My favourite activity is simply walking in the woods along our magnificent river valleys. Try the various trails in Central Huron including those within our unique Hullett Wildlife Area, truly a treasure!

Have trouble getting around? Central Huron has been working hard to bring accessibility standards to the forefront. Our municipality is a leader in bringing changes that improve independence for persons with disabilities, thereby protecting dignity, which they need and deserve. Help us spread the word!

Once again we are pleased to be working with high school students who have contributed so much to our downtown beautification efforts. This year we are featuring the students taking welding and manufacturing classes. They have created a series of metal sculptures. The pieces are displayed in the new "Student Sculpture Garden", within Millennium Park for all to enjoy. We have such talented youth....just another reason

to "Take pride in your municipality, it is a great place to live!"

## ROADSIDE MOWING

Roadside mowing will be contracted out. Anyone having small trees and shrubs should have them well marked as the Municipality will not be responsible for any damage. Owners of vacant lots are advised that it is their responsibility to maintain weeds and excess grass under the Property Standards Act.

## AND

For larger amounts such as a garage clean out or house renovations, refuse can be taken to the former landfill site but must be separated amongst the various recycle bins and non recyclables. The cost is dependant on weight but the minimum is

0. Additional fees apply for larger items like furniture and mattresses. Hazardous wastes are still accepted at the site.

The site is open from 00 am until 1 0 pm Tuesday through Saturdays inclusive. For more information they can be reached at 1

If you have usable items that you no longer want, save them for the annual pick it to the Curb weekend, August 1 th - 1st.

## ANALYZING OUR NUMBER

Is your sign properly identifiable and visible from the road? Make sure snow, furniture, trees vegetation, etc. are clear so that the numbers can be seen.

### CANSkate

A complete series of balance, control and agility skills taught in a fun, play-based environment. A great beginning program for those interested in figure skating, hockey, ringuette or recreational skating.

### STARSkate

Unique to Canada, skaters learn in group and/or private lesson format through a progressive and sequential manner. Specifically designed awards and incentives are included and Skaters have the opportunity to advance through the nationally standardized Skate Canada Testing system. STARSkate offers opportunities for skaters of all ages to develop fundamental figure skating skills in the areas of ice dance, skating skills, free skate and interpretive skating.

### CanPowerSkate

An instructional power skating program geared to hockey and ringuette skaters. This program focuses on balance, power, agility, speed and endurance. Drills are taught in a progressive format, challenging and developing a skater's skills, techniques and conditioning with an emphasis on how the skills can be applied to their sport.

Find us on Facebook, Instagram and Twitter for information regarding our skating programs; including eligibility requirements, fees, current schedules and payment information.

## EARLYON CHILD AND FAMILY CENTRES

**EarlyON programs are free sessions where parents and caregivers of children (0-6 years of age) can:**

- Participate with their children in a range of age-appropriate programs and activities;
- Discover answers to questions on child development;
- Find information about programs and services for families;
- Talk to Early Years professionals, parents and caregivers.

**Programs are offered in person, outdoors, and virtually.**

## GROWING TOGETHER EARLY LEARNING RESOURCE CONSULTANT PROGRAM

Resource consultants provide early intervention strategies which enables all children to participate in early learning and child care opportunities within their licenced child care or EarlyON Program.

## FINANCIAL ASSISTANCE FOR CHILD CARE IN HURON COUNTY

Families living in the County of Huron may qualify to have the full or partial amount of their child care costs paid by the county of Huron. This can be arranged when child care is provided at a licensed child care centre or an approved home provider.

## CANADA-WIDE EARLY LEARNING CHILD CARE

The Canada-Wide Early Learning and Child Care (CWELCC) system will support quality, accessibility, affordability and inclusivity in early learning licensed child care serving eligible children.

The County of Huron is proud to announce that all licensed child care centres and approved home child care locations are participating in the CWELCC system. Families will see a reduction in daily child care fees to an average of \$10/day by 2025.

Please contact your licensed child care program for further information on rates and rebates that you are now eligible for.

## HURON COUNTY COMMUNITY HOME CHILD CARE

### Why choose home child care?

- Homes are monitored monthly
- Play-based learning activities for your child
- Healthy meals and snacks daily following Canada's Food Guide
- Small group sizes
- Screen process for providers includes criminal reference checks and Children's Aid Society background checks

### Benefits of becoming an approved home provider:

- Referral of families
- Early Intervention resources are available
- Professional learning opportunities and funding grants
- Guaranteed payment
- Create your own hours

## PARKING

In the Municipality, there is NO overnight parking on any streets or in parking lots from November 15 to April 15 annually. Outside of those dates, parking is permitted on certain streets. Check with municipal by-laws to confirm which streets.

## 911 SIGNS

Property owners are responsible for notifying the Municipality of Central Huron if their 5-digit number has been damaged or stolen. Those that would like a new sign with their name on it are asked to contact a sign shop that makes them.

## STREET LIGHTING

The Municipality has street lights in many of the hamlets and in town. If you notice that a street light doesn't work, call the Municipality at 519-482-3997 to report it. Each pole has a 4-digit identification number for that light. Please have that number ready when you call.

## LANDOWNERS

Mud on the road is dangerous and more slippery than ice. Please ensure our rural roads are kept clean and safe. A person who deposits mud onto the roadway may be liable if an accident occurs.

Artist: Barrett Age 5

## SIDEWALKS

Please refrain from placing garbage and recycling bins or other objects on sidewalks. This restricts snow removal and hinders accessibility.

## SNOW MOVING

Pushing snow to the other side of the road when clearing your laneway is prohibited. There is a by-law in place that prohibits this practice.

## COMPOST SITE

The Municipality has a compost site at 40131 Hydro Line Rd. It is a drop-off spot for leaves, brush, garden waste, and household kitchen scraps. Items can be dropped off at your leisure. A limited number of paper bags can be picked up at town hall. This is not a drop-off for construction materials, unwanted fill, cement blocks, plastic bags, flowers in pots, etc: this material should go to the landfill. This is a free service for Central Huron residents that should not be abused.

# PREVENTING WASTED WATER IN YOUR HOME

## Toilet Leaks

Significant amounts of water can be wasted with toilet leaks. If water is still running after a flush, or you can hear water running, your toilet is leaking.

Most leaks occur at the overflow pipe or at the plunger ball inside the tank. To locate leaks, remove the tank lid and flush the toilet. The water level should come to roughly 1/2 an inch below the overflow pipe. Try adjusting the float level control screw so that the valve shuts off the water at the proper level. If the valve is leaking you may need to contact a plumber.

Toilets may also have silent leaks. To test for this, put a few drops of food colouring into the tank, but **DO NOT FLUSH**. Wait 10 minutes. If you see colour in the toilet bowl, you have a silent leak. It is most likely leaking around the plunger ball or flapper valve at the bottom of the tank. These are easy to fix with parts available at a hardware store.

## Leaky Faucets

Most leaks result from worn washers in faucets and showerheads. All faucets (including those seldom used, such as utility sinks or in basements) should be checked periodically. Repairing faucets is easy; just shut off water supply to the specific faucet, replace the washer, and turn the water supply on again. If you feel you need some assistance, check out a do-it-yourself publication or ask a qualified person.

Check hoses to your washing machine and dishwasher and replace them every five years.

# Your Well – Your Responsibility

**If you own a private well, it's your responsibility to ensure the water is safe for your family.**

## TEST YOUR WELL WATER

- o Three (3) times a year, especially after a rain event
- o Free water sample bottles available at Huron Perth Public Health, Mon.-Thurs. 8:30 am – 4 pm

## PROTECT YOUR WELL

Take 15 paces in four directions from your well – what is in your well's 'Protection Zone'?

### Try to make sure you don't have:

- o Dog tied to well or chicken coop (E. coli)
- o Brush piles providing homes for vermin
- o Pooling water (mound up soil around the casing so water flows away from well)
- o A shed with fuel and chemicals (place in a tote or cabinet to prevent spills or leaks)
- o A loose or damaged well cap (earwigs love wet spaces)

## MAINTAIN YOUR SEPTIC SYSTEM

A faulty septic system is very often the cause of well contamination

Get the tank pumped every 3 – 5 years (especially before a big family event!)

- o Don't drive over the leaching bed and crush lines
- o Don't put harsh cleaners, chemicals, fats, oils or grease down the drain (it kills hard working bacteria)
- o Don't plant gardens, shrubs or trees on your system (the roots will block the lines)

Your well and septic system are expensive but essential assets. If they need work, call a professional.

For more information watch 'Your Well, Your Responsibility' at

<https://www.sourcewaterinfo.on.ca/news/videos/>

## Water Wise Events

Only 2% of well owners in Huron County test their water. Approximately 30% of those samples come back contaminated. Would your community group like to host a Water Wise water sampling event? Sample bottles are made available in the community or can be picked up at the event. Collected samples are kept chilled and delivered for transport to the Public Health Lab in London the next morning. By assisting well owners with a convenient way to sample their wells, about 1/3 of wells in these communities have been sampled at each event. Call 519-235-2610, or toll-free 1-888-286-2610, extension 247, to find out more.

## Source Water Protection

Property owners, real estate agents or farmer lease holders, where municipal water systems exist, you can find out if the property is located in a Wellhead Protection Area by looking at the Source Protection Information Atlas online mapping available at <https://www.ontario.ca/page/source-protection>. Potential threats to drinking water include chemicals, fuel, waste oil, salt application, snow storage, manure, fertilizer, and pesticides. When in close proximity to the municipal well, using and storing these products carefully is important to protect the municipal well supply that serves the community. The Clinton Public Hospital Foundation is a charitable organization, committed to the advancement of healthcare and the well-being of those served by the Clinton Public Hospital. The Foundation consists of a volunteer board of directors and one part-time employee, who work together towards our mission to support the purchase of capital equipment and upgrades to the infrastructure of our hospital, which is not otherwise funded.

Financial donations to the Clinton Public Hospital Foundation are welcomed at any time, as there is always a need for private funding to reinforce the existing strengths of our hospital and to keep pace with future medical technology. All donations, large or small, make a difference for the Clinton Public Hospital and the healthcare of our local, rural community.

Money received from our donors allowed the Foundation to transfer over \$387,000 for the 2022-2023 fiscal year. The Clinton Public Hospital Foundation Board of Directors has committed to disbursing over \$538,000 to the Clinton Public Hospital for 2023-2024 in support of cardiac monitors, colonoscopes, plastic surgery surgical kits, cataract lift chairs/stretchers, 14 cataract kits, and so much more.

The Clinton Public Hospital Foundation Board of Directors and staff would like to thank our caring community partners, generous donors and wonderful volunteers for making our hospital a better place and for supporting our ongoing needs.

## CLINTON PUBLIC HOSPITAL AUXILIARY

The Clinton Public Hospital Auxiliary is a volunteer organization, which assists in the hospital where necessary and raises funds, which are given to the Clinton Public Hospital Foundation for the purchase of capital equipment. Auxilians have opportunities to volunteer at the Clinton Public Hospital Gift Shop, volunteer at clinics, provide information and participate in the Unified Action Council, which includes a patient visiting program. The Auxiliary hosts several fundraising events, which include

tag days, barbeques, raffles, annual penny sale, and the annual Gift of Light celebration. Auxilians also have opportunities for education, by having guest speakers attend meetings.

Comradery, meeting new friends and sharing ideas are important roles of each Auxilian, as we strive to make a positive difference in the lives of our community members.

## MAKING MOMENTS MATTER IN CENTRAL HURON

The journey at the end-of-life is one of the most difficult that any of us will make. When families are on that journey, they turn to Huron Hospice for compassionate care.

## WE CAN HELP

At Bender House, nurses provide 24/7 care for individuals and their families. In your home, Huron Hospice delivers in-home care and respite. We facilitate loss and grief programs for children, youth and adults. We are always innovating to provide services that fit the needs of our community.

**IN YOUR HOME** trained volunteers offer companionship and emotional support to people who are at the end-of-life. They offer respite for caregivers who need a break.

**AT BENDER HOUSE** trained palliative care nurses provide 24/7 support in a home-like environment. Bender House has private bedrooms with space for family, a large living room and kitchen in which to meet. Bender House is Music Care Certified and includes many forms of music in the care we provide.

**GRIEF & BEREAVEMENT** happen for many reasons. Some people need help learning to manage loss and grief. Without help, unchecked grief can affect the whole family. Ask about our new program to help children learn to manage grief.

**YOU CAN MAKE A DIFFERENCE** when you support Huron Hospice. People in our community rally around the Hospice and contribute the funding we need to provide these essential programs. It's as easy as 1,2,3 to make a difference:

### 1. Make Every Day Matter

Choose a day that is special to you (a birthday, anniversary or memory of a loved one). On that day when you give \$1,000 you pay for a day of care. Give individually, or as a family. Give \$250 quarterly. It really is easy to Make Everyday Matter.

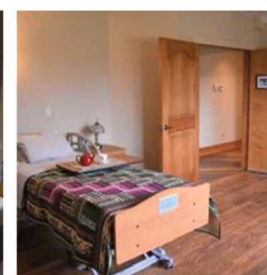

### 2. Hike For Huron Hospice

On the Sunday after the Victoria Day weekend (Sunday May 26) we will walk in support of Huron Hospice. Join us for a fun family outing on one of the local trails. Stay for a BBQ. Every step you take helps fund compassionate care.

### 3. Do You Have a great community fundraising idea?

Give us a call. Community fundraisers are created, managed, and run by individuals, groups, or businesses with Huron Hospice being the benefactor. By acting independently and with our approval, community fundraisers are an important part of our fundraising to support our programs. Call us at 519-525-7352 [www.huronhospice.ca](http://www.huronhospice.ca)

## BUILDING DEPARTMENT

O A D A  
BA KO  
UN PA O

The Primary Role of the Building Department is to promote public safety and assist development in compliance with all applicable laws.

The Building Department is a multi-faceted department with its major roles including enforcement of the Ontario Building Code, Municipal by-laws, property standards, zoning administration and source water protection. The building department also oversees septic and plumbing permits and the required inspection services. These roles ensure compatibility and protection of adjacent land uses, maintenance and sustainability of properties and the quality of life for Central Huron residents and visitors.

### BU D NG P R

A building Permit is your formal permission to begin construction or demolition. It means that the Municipality of Central Huron has approved plans for a new structure, an addition, an alteration, a renovation or change of use of a structure.

Contact the Municipality of Central Huron if you are unsure whether you require a permit for your project. Even though your project may not require a building permit, you must still comply with the requirements of the Zoning By-Law and any other applicable laws. It is the property owner's responsibility to ensure that a Building Permit is obtained prior to any work starting, when required.

Approved Building Permit plans must comply with

the Ontario Building Code, local zoning by-laws and other applicable laws. Building permits regulate the type or use of a structure allowed within the community and ensures that building standards are met. The building permit process protects each property owner's interests, as well as the community at large and provides for the erection of safe, legal and sound structures.

### N DO N D ABU D NG P R

All new buildings, prefabricated buildings and accessory buildings over 10 square metres require a permit. Repairs, alterations, renovations and additions to existing buildings need a permit.

Swimming pools, sewage systems, plumbing alterations, mobile homes, temporary tents and structures need one as well. Demolitions also require a permit.

### O DO G A BU D NG P R

Applications are available at the town hall or on the Central Huron website.

Submit your completed application and applicable drawings to the building department. They will be reviewed by the Chief Building Official and a permit issued if your plans comply with building regulations. You will need to set up building inspections as per the instructions on your permit.

## MARRIAGE LICENSES

The Municipality of Central Huron Clerk's Department issues marriage licenses.

- Licenses are issued at the Municipal Office, 23 Albert St. Clinton during office hours from 8:30 am to 4:30 pm, Monday to Friday. The current fee for a license is \$115.00. We ask that you allow for 5 business days for us to process your marriage license.
- At least one applicant to the proposed marriage must apply in person; however the completed Marriage License Application must be signed and dated by both applicants.
- 2 valid pieces of I.D. are required for both parties. One of which must be either a current Passport or Birth Certificate. The second piece of Identification may be either a valid Driver's License or Photo Health Card.
- A Marriage License is valid in Ontario only for a period of 90 days from the Date of Issuance.
- Call the Municipal office at (519)482-3997 or check out the website for further details and / or to print out application forms.

## ELECTRONIC SIGN

To advertise on our Electronic sign on Ontario Street, please contact [records@centralhuron.com](mailto:records@centralhuron.com).

6 months - \$900      1 month - \$200  
3 months - \$600      3 days - \$25

Birthday, retirement and birth announcements special events are examples of what kind of advertising you can do at an affordable price. The Municipality recognizes community service groups and not-for-profit organizations are exempt from the fee.

## AUBURN DOG PARK

The Auburn Dog Park is located behind the ball diamond. There is a laneway and parking area south of the diamond off Hardwood Line, so you can now drive quite close to the gates. The laneway is not accessible in Winter, but the dog park gates are kept open throughout the year. You can walk or snow shoe in through the ball diamond. It is accessible in daylight hours only.

We have a small dog section and large dog section, both of which are fully fenced. There are picnic tables in both sections of the park, so bring a book and enjoy the day! Be sure to follow current COVID protocol. Please stoop and scoop and keep our dog park clean. There is a garbage can and doggy

bags for waste. Please bring your own water for your pet.

Dog treats, leashes and toys are available for purchase at the Auburn Huron Bay Farm Supply.

To adopt a post In Memory Of or In Honour Of a beloved pet, contact the Municipality at (519)482-3997. Proceeds go towards park improvements, such as trees and flowers.

The Dog Park is close to the community playground, so there are lots of things for the family to do – both 2 legged and 4 legged! Come enjoy our village!

## 2024 DOG TAGS

If you no longer have a dog(s), we ask that you please return the dog tag(s) to the Municipal office to the attention of Cathy Kovacs before March 31, 2024, in order to have your name removed from our list.

Failure to let us know by this date will result in full payment required. If you no longer have your dog after March 31, 2024 and payment is not made for the tag you will be responsible for full payment. If you have any questions or concerns, please don't hesitate to contact Cathy Kovacs at 519-482-3997 Ext. 1229 or [ckovacs@centralhuron.com](mailto:ckovacs@centralhuron.com)

The new Municipality Lifetime Dog Tag system is still in place. The tag is not for a specific year like it has been in the past. Your dog will have the same tag while they reside in Central Huron. We will still send out an invoice annually for a renewal license fee of \$25 for regular breeds.

Dog tag payments are due by March 31 2024. An additional \$20 PER DOG will be added as of April 1st

if full payment hasn't been received.

If your invoice is still outstanding by the end of the July, your dog tag fees will be applied to your property tax account or sent for collections.

If you need to replace your dog's lifetime tag over the years due to wear or loss, there will be a \$10 replacement fee per tag.

Here are the following options for payments:

1. Drop box feature at the Municipal Office at 23 Albert St, Clinton located to the left of the front doors. We ask that you only pay with cash/cheque/bank draft with this option. Please make sure your payments are in a sealed envelope and clearly marked.
2. Mail cheque payable to the Municipality of Central Huron. PO Box 400 Clinton, ON N0M 1L0
3. Telephone or online banking choosing 'Municipality of Central Huron', then 'Other' using your 10-digit customer number found on your invoice. Ensure you use the account number at the top of your invoice to make your online payment.
