

Downtown Clinton Construction Update

June 17, 2021

Lavis plans on doing the following work next week:

- Watermain installation on Princess Street West and Albert Street between Princess Street West and Park Lane
- Install water services once main line water is completed

The Enbridge team hopes to finish up next week if all goes well.

A manhole being installed, with a new sanitary sewer pipe waiting at his feet.

Both crews enjoyed an appreciation pizza lunch in Umbrella Alley Thursday. These workers have suffered through some pretty hot days in the last couple of weeks. We appreciate all they are doing to persevere and get the job done! THANK YOU!

More art has been installed and there is more to come! Watch here next week for Umbrella Alley information.
