

MUNICIPALITY OF CENTRAL HURON CONSTRUCTION 2021

Downtown Clinton Construction Update

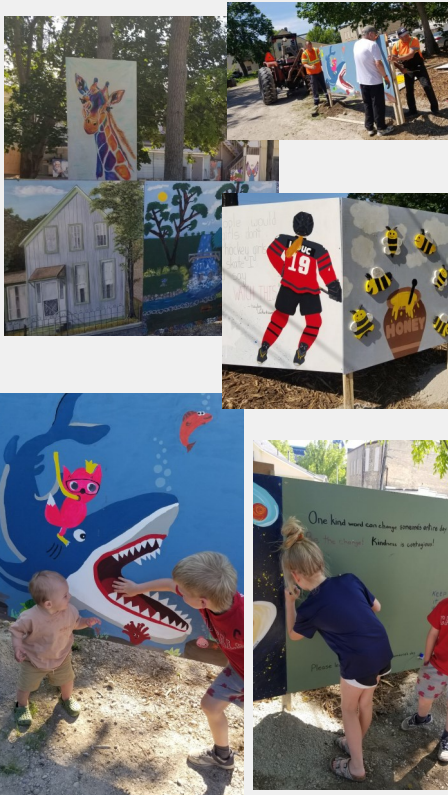

June 4, 2021

Lavis plans on doing the following work next week:

- Close Princess Street West from Orange Street to Albert Street
- Close Albert Street from Rattenbury Street to John Street
- Remove asphalt on Princess Street West and Albert Street
- Start installing sanitary on Albert and Princess Street

Albert Street north of downtown now has a fresh coat of asphalt. Soon tidy-up along the edges will begin. What a great job the Lavis team has done!

Art has been installed in two alleys in Clinton. Be sure to come see the incredible talent on display! You will find the murals behind the stores on the east side of the street from Godfathers to Repurposed Artisan Designs. On the west side you'll find it behind Cornerstone Schoolhouse through to Dollar Haven. Thanks to staff, council and volunteers for all their hard work! If you have a board to drop off, please contact Angela Smith at

Albert Street Downtown

Work continues with the Enbridge team on Albert Street
