## Important Information

### Proof of altering:

Section 5.4 of the Municipality of Central Huron Animal Control Bylaw states “Upon application for a licence for a spayed female dog or neutered male dog the applicant shall produce to the Municipality of Central Huron or its authorized agent at the time of application when requested, a certificate from a veterinary surgeon that such female dog has been spayed or such male dog has been neutered.”

### Limit of Animals in a Dwelling Unit:

4.1 The total number of cats and dogs shall not exceed five (5) within urban areas within the Municipality of Central Huron, with a maximum number of two (2) dogs harboured at any one time in a dwelling unit. No more than three (3) dogs shall be harboured, at any time, in a dwelling unit located within rural areas of the Municipality of Central Huron.

4.2 Any dogs over the maximum allowed in section 4.1 not licensed at the time of passing of this Bylaw shall be licensed within forty five (45) days or shall be deemed in violation of this Bylaw.

4.3 Any rats and/or mice for the purpose of a pet, shall not be bred for any purpose and will be limited to a total of 5 (five) per dwelling unit.

### Additional information:

All licence fees collected are used to help offset the costs of the Animal Services Program. This includes items such as:

- Animal control and Bylaw enforcement
- Emergency Services – injured animals
- Removal of dead carcass – small animals only on Municipal Property within 12 hours of notification
