GREETINGS FELLOW RESIDENTS

I bumped into some tourists the other day. Without knowing I was the Mayor they told me what a beautiful area this is. They had been to Balls Bridge and had signed the guest book but had never seen a Wind Phone before. They loved the description and realized it was not connected to a phone line. It is for bereaving people to feel connected to loved ones and just speaking your thoughts out loud helps with the grieving process. The last time I looked at the guest book it is absolutely amazing where people come from to visit our area including the UK, Australia, Alberta just to name a few.

I mentioned a few other attractions they might be interested in such as the Clinton Historic walking tour, the animated murals, Bluestone Wakeboard Park, Cowbell, Bayfield Berry Farm, Second Streetlight Winery, the list goes on Just some more reasons to "take pride in your municipality, it is a great place to live"

From The Public Works Department

****Leaf/Brush Pick-Up****

The fall pick-up will begin October 10th to November 14th, on Thursday's ONLY, weather permitting. Brush must be tied in bundles no longer than 4 feet, and cannot weigh more than 50 pounds. Leaves must be in brown paper bags which are available at the Municipal Office (in limited quantities per household). If you require additional bags they can be purchased at the local hardware stores. For those who wish to take their own leaves and compost, the drop off site is at 40131 Hydro Line Road – just east of the Cemetery, open 7 days a week. **ACCEPTABLE ONLY:** Leaves, brush, grass clippings and kitchen compost. This is **not a drop off** for construction materials, unwanted fill, cement blocks, plastic bags, or flowers still in pots, as this material should go to the landfill. This is a free service that should not be abused.

Parking

There is **NO** overnight parking on any streets or parking lots from Nov 15th to April 15th of each year within the Municipality. Prior to that, there is parking allowed on certain streets, one should check with Municipal By-Law for those streets.

Animal Safety

Please take precautions before approaching or handling a dead animal on your property, wear protective gloves and use a shovel to move.

Going Digital!

Central Huron is currently implementing an online software program for By-Law Enforcement Complaints as well as Planning and Building Applications. More information will be posted on our website and social media that will walk residents through how to use these new portals.

We encourage all households to have a home fire safety assessment completed by our service; your safety is our priority. Knowing how to reduce the risk of fire in your home is an important part of living safe and well.

By booking a Home Safety Assessment, you're making sure your home is checked over by a fire safety specialist who will also talk to you about your individual needs and safety concerns.
