Greetings fellow residents

As I write this it is a beautiful summer day. Lots of traffic on Highway 8. Summer brings increased visitors to our area as they flock here to enjoy what we have and sometimes take for granted. It got me to thinking how fortunate we are to live here. Not to mention that I have helped out with the promotional videos that the municipality has created and when we listed attractions and amenities that we have, it is really quite impressive. You can find the videos on YouTube if you search Central Huron.

Take time to enjoy this "near normal" summer. We deserve it after two years of pandemic restrictions. Stay safe everyone!

Jim Ginn
Mayor of Central Huron

From the Public Works Department

****Leaf/Brush Pick-Up****

The fall pick-up will begin October 6th to November 10th, weather permitting. Brush must be tied in bundles no longer than 4 feet, and cannot weigh more than 50 pounds. Leaves must be in brown paper bags which are available at the Municipal Office (in limited quantities per household). If you require additional bags they can be purchased at the local hardware stores. For those who wish to take their own leaves and compost, the drop off site is at 40131 Hydro Line Road – just east of the Cemetery, open 7 days a week. **ACCEPTABLE ONLY:** Leaves, brush, grass clippings and kitchen compost. This is **not a drop off** for construction materials, unwanted fill, cement blocks, plastic bags, or flowers still in pots, as this material should go to the landfill. This is a free service that should not be abused.

Protect our Water/Sewer systems!

Only Human waste and toilet paper are to be flushed to protect our wastewater facilities and our environment. Residents will be financially responsible to fix any blockage caused by flushing any other products into Municipal Sewers.

Huron Hospice News

It's almost 30 years now that Huron Hospice has been providing home hospice support in Central Huron and throughout the county using trained volunteers. If you, or someone you know, is living with a life-limiting illness and a listening ear at your home would help, contact Deb Shelly at 519-525-8648 or deb.shelley@huronhospice.ca.

For these 30 years, we also have been offering grief groups after a loss. Contact Sally Brodie at 519-525-6331 or sally.brodie@huronhospice.ca for more information about coming groups. We thank the community for your support during our winter flood at the residence; we reopened March 29. On June 4, we held an event at the residence to announce a gift of \$500,000 from Susan & David Bender towards our capital campaign. With this, the residence is now called Huron Hospice Bender House and we are just \$100,000 short of our campaign goal. Construction will occur in the next year to expand Bender House to 6 beds. Speaking of construction, with 3 federal government grants, the garage has now been renovated and it includes a community meeting room. Please contact us at 519-525-6856 to book the room. Please join us for the There's No Place Like Home concert and telethon Sept 15. See our website at huronhospice.ca for details on this and lots of other news.
