2-1-1 SERVICE

211 is a community information service linking people to important local programs and services in a time of need. 24 hours a day, 7 days-a-week, 365 days a year in over 150 languages. When someone dials 2-1-1, a trained 211 Navigator will talk through their challenges and connect the individual with community services that can help. By providing a central source of information, 211 helps people quickly before they reach a crisis point. 211 connects individuals experiencing poverty, hunger, homelessness, mental health issues, social isolation and domestic violence with the right resources.

The 211 logo, featuring the numbers 211 inside a white oval on a red background.

FROM THE MAYOR'S DESK

GREETINGS FELLOW RESIDENTS,

The Albert Street reconstruction is complete with minimal touch ups scheduled for the spring. Thank you all for your patience with traffic delays and detours. The street looks terrific and hats off to the workers that made it happen! We encourage individuals to shop local as construction, coupled with the pandemic, has been difficult for our downtown businesses. In spite of these challenges, the downtown was recently awarded the 2021 Huron County Accessibility Advisory

Committee's "Award of Merit For Barrier Free Design" for creating a more "Shoppable" downtown. Two primary additions include the installation of automatic doors and doorbells for curbside service. Keep watch for more improvements that will make it even easier to shop!

Our award winning "Artist Alley" was a huge success and we will be bringing it back again next year to draw more visitors to our downtown.

Several housing developments have started in Clinton and along the

lakeshore, making Central Huron an attractive destination for those looking to move here.

Another bright spot during the pandemic has been our agricultural sector. Prices are strong and crop yields have been fantastic. Central Huron has invested heavily in municipal drains to keep our farmers productive and profitable.

With new variants evolving, we sometimes wonder if our world will return to normalcy. It will. In the meantime, life goes on. We have so much to be thankful for and we should be "proud of our municipality, it is a great place to live"!

Jim Ginn 
Mayor of Central Huron

We are looking for
volunteers to help with
community improvement
projects.

If you would like to be a part of the fun, please contact
Angela Smith, Community Improvement Coordinator at 519-476-5922
or angela.smith@centralhuron.com

We are looking for residents of all ages to help with projects within the community! What can you do to help make the community enjoyable for all? Throughout the year, Central Huron holds many great events for residents and visitors. We need your help to continue offering these and more! Planning committee members are needed, helpers for specific event days, flower planters, Canada flag installers and more!

Past events include: Harvest Festivals, Wine & Cheese Nights, Community Picnics, Campfires, Skating Days, Splash Pad Parties, Food and Beverage Festivals, The Mayor's Mingle and more. You can volunteer for one event or multiple events, the choice is yours!

Thank you to our some of our wonderful volunteers!

EQUINE EDUCATION CENTRE

The Equine Education Centre is approximately 20,000 square feet and is located within the Arena Complex. Facilities include the indoor arena, teaching stall barn, classroom and office space. If you are looking to hold a clinic, seminar or any equine educational opportunities, this is the place to do it. Limited booking time is available, as the Equine Education Centre is home to the University of Guelph, Ridgetown Campus Equine Programs.

RIDGETOWN
CAMPUS

STUDENT HOUSING NEEDED

The University of Guelph, Ridgetown Campus is currently offering equine training programs at REACH Huron, and students enrolled in these programs require student housing in Clinton and area during their academic studies.

It's Easy to List Your Student Housing Posting

Option 1 – Complete our online Off-campus Housing Form located on the Ridgetown Campus website.

Option 2 – Contact us at stacia@uoguelph.ca (Stacia), or at REACH Huron at 519-482-3998 ext. 1492 or cindy.pryce@reachhuron.ca (Cindy)

Thank you to everyone who is currently offering student housing in the Clinton and area community.

Keep up with all the events happening at REACH Huron by subscribing to our E-newsletter through our website or following us on Twitter or Facebook

REACH Huron

Let REACH Huron Host Your Next Event

REACH has a wide range of facilities to suit your event planning needs. Complete with meeting rooms for conferences, meetings, workshops or breakout sessions, including a catered banquet room that can seat up to 60 in a banquet style setting. There is limited availability, please book in advance.

REACH HURON POST SECONDARY EDUCATION PARTNERS

Contact North has 116 local online learning centres supporting 600 small, remote, rural, indigenous and francophone communities across ONT. As Contact North is Ontario's Distance Education and Training Network we are partnered with, Ontario's 24 public colleges, 22 public universities, 76 schools boards, and 250 literacy and basic skills and training providers. We are here to support and provide assistance to clients who would like to obtain their degree, diploma or certificate or upgrade your skills online without leaving your community.

**RIDGETOWN
CAMPUS**

Ridgetown Campus offering an Associate Diploma in Equine Care and Management.

This unique program is perfect for equine enthusiasts who want to turn their passion into a career. In this program you will learn about equine nutrition, reproduction, health, conditioning and management. You will gain extensive equine theory combined with applied knowledge and broaden your equine business, finance and management skills.

Year 1 (Semester 1 and 2) of this program is delivered at REACH Huron in Clinton, ON. Year 2 (Semester 3 and 4) is delivered at Ridgetown Campus.

For more information check out:
www.ridgetownnc.com/future/decn

Fanshawe College is here to serve the community. We offer programming you want, close to home.

Fanshawe has been located in Clinton, Goderich, Kincardine, Tiverton and Stratford since approximately 2007 and has seen tremendous growth during that time. Welcoming full-time, part-time and dual-credit students in a number of diploma, certificates and community-interest courses. Fanshawe is proud to be a contributor to the economic growth and sustainability of the region. For any program inquiries please contact clinton@fanshawec.ca or visit our website at

ROADSIDE MOWING

Roadside mowing will be contracted out. Anyone having small trees and shrubs should have them well marked as the Municipality will not be responsible for any damage. Owners of vacant lots are advised that it is their responsibility to maintain weeds and excess grass under the Property Standards Act.

LANDFILL

For larger amounts such as a garage clean out or house renovations, refuse can be taken to the former landfill site but must be separated amongst the various recycle bins and non recyclables. The cost is dependant on weight but the minimum is \$20. Additional fees apply for larger items like furniture and mattresses. Hazardous wastes are still accepted at the site.

The site is open from 8:00 am until 12:30 pm Tuesday through Saturdays inclusive. For more information they can be reached at 519 482 7668. If you have usable items that you no longer want, save them for the annual "Kick it to the Curb" weekend, August 19th - 21st.

CAN EMERGENCY SERVICES SEE YOUR 911 NUMBERS

Is your sign properly identifiable and visible from the road? Make sure snow, furniture, trees/vegetation, etc. are clear so that the numbers can be seen.

Fire Chief Dave Renner, 401 Beech Street
519-482-3043 firechief@centralhuron.com

SPRING AND FALL LEAF PICK-UP

The spring pick-up will be held during the last week in April and the first week in May. The fall pick-up will begin at the start of October to mid-November, weather permitting. Leaves must be in brown paper bags which are available at the Municipal Office. Two bundles per household only. If you require more they can be purchased at the local hardware store. Brush must be tied in bundles no longer than 4 feet, and cannot weigh more than 50 pounds. For those who wish to take their own leaves and compost, the drop off site is at 40131 Hydro Line Road – just east of the Cemetery. Open 7 days a week Mon-Fri 7:30am-5:00pm, Sat, Sun 10:00am-4:00pm. **ACCEPTABLE ONLY:** Leaves, brush, grass clippings and kitchen compost. **NOT ACCEPTABLE:** plastics, plastic containers, metal, lumber, cement, tires, appliances and garbage. This is a free service that should not be abused.

The **BCH Ice Dogs Minor Hockey Association** welcomes players ages 5-20 from the communities of Bayfield and Hensall in the Municipality of Bluewater, and Clinton in the Municipality of Central Huron, all within the boundaries of the County of Huron. BCH home games and practices are held at the Bayfield Community Centre, the Hensall Community Centre and the Central Huron Community Centre.

For current hockey registration information and volunteer opportunities, please visit our website <https://bchminorhockey.ca/> and Facebook page <https://www.facebook.com/BCHIceDogsMHA>

CANSkate

A complete series of balance, control and agility skills taught in a fun, play-based environment. A great beginning program for those interested in figure skating, hockey, ringette or recreational skating.

STARSkate

Unique to Canada, skaters learn in group and/or private lesson format through a progressive and sequential manner. Specifically designed awards and incentives are included and Skaters have the opportunity to advance through the nationally standardized Skate Canada Testing system. STARSkate offers opportunities for skaters of all ages to develop fundamental figure skating skills in the areas of ice dance, skating skills, free skate and interpretive skating.

PrePower

For skaters aged 4-6, this pre-program to CanPowerSkate compliments the Initiation mandate set by Hockey Canada. This program runs concurrently with the CanSkate sessions.

CanPowerSkate

An instructional power skating program geared to hockey and ringette skaters. This program focuses on balance, power, agility, speed and endurance. Drills are taught in a progressive format, challenging and developing a skater's skills, techniques and conditioning with an emphasis on how the skills can be applied to their sport.

Find us on Facebook, Instagram and Twitter for information regarding our skating programs; including eligibility requirements, fees, current schedules and payment information.

- early Intervention Resources are available for consultation and service

GRo WIn G t o Get HeR eARLY LeARn In G ReSo URce Co n SULT Ant PРо GRAM

Resource consultants provide early intervention strategies which enables all children to participate in early learning & child care opportunities within their licenced child care program.

FIn An CIAL ASSISt An Ce Fo R CHILD CARE In HURon Co Unt Y

Families living in the County of Huron may qualify to have the full or partial amount of their child care costs paid by the County of Huron if funding permits. This can be arranged when child care is provided at a licensed childcare centre or an approved home provider

Emergency preparedness starts with YOU!

Be Emergency Ready – Stay Connected

LET'S BEAT COVID TOGETHER

"Keep these 6 in your mix"

1 WEAR A MASK

Mask must cover nose and chin.
Reduce the risk to yourself and others

2 FREQUENT HAND WASHING

If soap and water are not available, use alcohol-based hand sanitizer.

3 ESSENTIAL TRIPS ONLY

Groceries, medical appointments, essential shopping. Support local businesses.

4 PHYSICAL DISTANCING

Stay in 2 meters (6 feet) away from others in public.

5 SUPPORT THE VULNERABLE

Call, text, check-in on your neighbours.

6 STAY INFORMED AND CONNECTED

Check credible sources of information and keep in touch virtually with family and friends.

For up-to-date COVID-19 information, visit

www.hpph.ca
www.ontario.ca

on being prepared**

**Contact:
cemc@huroncounty.ca
Call 519-524-8394 ext. 3306**

Be Weather Aware!

When planning your daily activities it's important to be prepared for severe weather. Summer weather has a tendency to be more volatile than other seasons. It can be less predictable, with less lead time for preparedness. It's always a better idea to plan ahead.

Tips on Preparing for Severe Weather

1. **Don't wait for a storm to hit.** Begin preparing now and you'll be able to react quickly when a storm arrives. Make sure your Home Emergency Survival Kit is stocked, ready and in a place where you can easily access it.
2. **Pay close attention to the weather.** Some types of nasty summer weather can develop quickly with little warning, so be sure to regularly check the forecast on trusted sources including radio, smartphone apps, or the internet.
3. **Respect the potentially destructive power of weather.** When severe weather is forecast, keep a close eye on the sky and be prepared to take cover if threatening weather approaches. Stay inside until conditions have calmed and the danger has passed. This is no time for recreational weather watching or taking photos or video to post on social media.
4. **Remember that after-storm conditions can also pose a hazard.** After a severe storm has passed use special care when you leave your shelter. There may be downed electrical wires, broken trees and dangerous debris around your property and in the streets. Be extremely cautious if you decide to tackle tree removal by yourself. Better yet, leave it to the professionals.

Tornado

Tornadoes are rotating columns of high-velocity wind that can bring devastation to anything in their path. Ontario averages 12 tornadoes per year, most occurring in June, July and August, although the season extends from April to September.

When a Tornado Threatens

- Take shelter immediately, away from doors, windows or exterior walls. The basement of a sturdy building is best.
- Don't get caught in a vehicle or mobile home. If no other shelter is available then lie flat in a ditch, ravine or low-lying area.
- Beware of flying debris. Even small objects such as sticks and straw can become lethal missiles.

ROADS DEPARTMENT

Parking

There is NO overnight parking on any streets or in parking lots from November 15 to April 15 of each year within the Municipality. Prior to that, there is parking permitted on certain streets, one should check with municipal by-laws for those streets.

911 Signs

Property owners are responsible for notifying the Municipality of Central Huron if your 5 digit number has been damaged or stolen. Those that would like to get a new sign with their name on it are asked to contact a sign shop that makes them.

Street Lighting

The Municipality has street lights in many of the small hamlets as well as in town. Anyone noticing that a street light doesn't work are asked to call the Municipality at 519-482-3997 to report it. There is a 4 digit number on each pole that is the identification number for that light. Please have that number ready when you call.

Landowners

Mud on the road is dangerous & more slippery than ice. Please ensure our rural roads are kept clean and safe. A person who deposits mud onto the roadway may be liable if an accident were to occur.

Sidewalks

Please refrain from placing garbage and recycling bins or other objects on sidewalks. This restricts snow removal and hinders accessibility.

Snow Moving

Pushing snow to the other side of the road when cleaning out your laneway is prohibited. There is a by-law in place that prohibits this practice

Compost site

The Municipality of Central Huron has a compost site at 40131 Hydro Line Rd. It is a drop off spot for leaves, brush, garden waste, as well as household kitchen scraps. Items can be dropped off at your leisure. A limited number of paper bags are available for pickup at the town hall. This is not a drop off for construction materials, unwanted fill, cement blocks, plastic bags, flowers still in pots etc., as this material should go to the landfill. This is a free service for Central Huron residents that should not be abused.

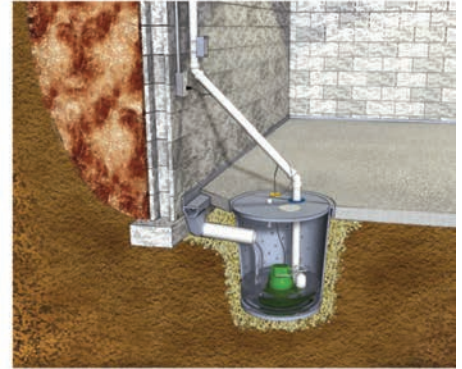

**For Hydro Emergencies call
ERTH POWER at 519-485-1820
or after hours call 1-877-850-3128**

Sump Pumps – Make the right connection!

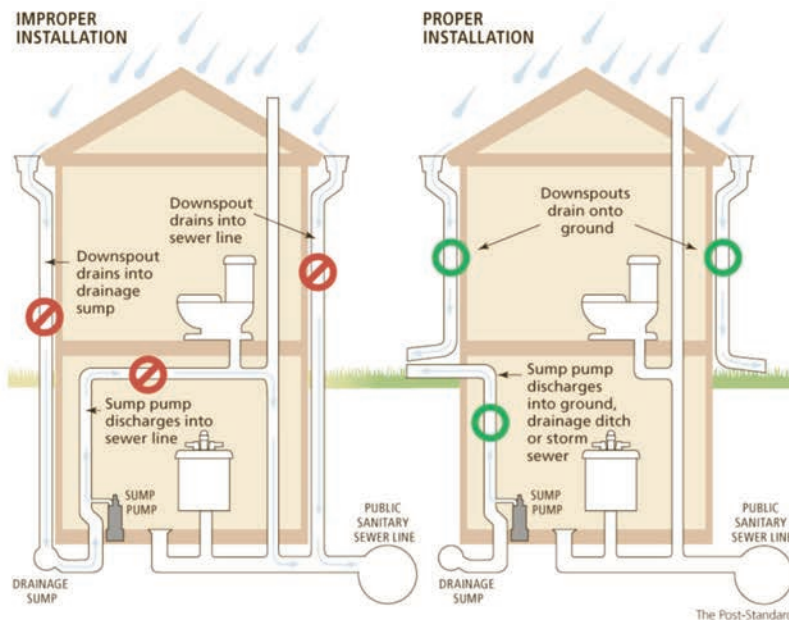

A sump pump is a pump that is used to protect a basement from flooding and general moisture intrusion by removing rainwater that infiltrates into the soil around the basement foundation.

The sump pit appears as a hole in the basement floor and is usually either a plastic or concrete container buried into the ground so it can collect water from the foundation drain.

When water reaches sump float switch it activates your sump pump. Water from the sump pit is then pumped out and discharged through a pipe in the wall to an outside location far enough from the foundation wall to prevent the discharged water from re-entering your foundation drain. The water is then naturally absorbed into the ground. If there is a storm sewer connection then the sump pit discharge pipe may be directly connected to the storm system.

Not All Connections are good!

In some homes, sump pumps do not pump the water outside. Instead, they are connected into the sanitary sewer system. These types of connections are in violation of the Ontario Building Code and the Municipality of Central Huron's Sewer Use By-Law 39-2018. As well as a sump pump connection to the sanitary sewer can cause a back-up which will lead to flooding your basement with sewage! It is also detrimental to the operations at the Clinton Sewage Treatment Plant.

Please make the right connection to protect your home and the municipal sanitary sewer system.

Do's	Don'ts
Do have your downspouts extended far away from your house	Don't have your downspouts connected to your foundation drain
Do have your sump pump discharge outside away from your foundation	Don't have your sump pump discharge to the floor drain or laundry tub (these are connected to the sanitary sewer)
Do have your sump pump discharge to the storm connection if one is available	Don't discharge your sump pump to a neighbouring property
Do protect your discharge hose from freezing in the winter.	Don't discharge your sump pump to the sidewalk or roadway
Do have a back-up battery on your sump pump in the case of a power failure

Clinton Public Hospital Foundation
98 Shipley Street
Clinton, Ontario, N0M 1L0
phone: 519-482-3440 ext:6297
email: cph.foundation@hpha.ca

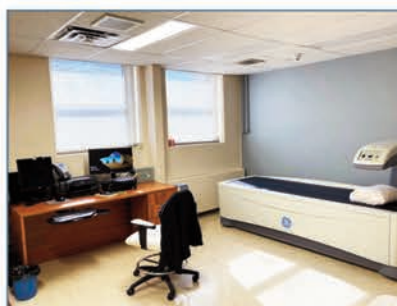

The Clinton Public Hospital Foundation is a charitable organization, committed to the advancement of healthcare and the well-being of those served by the Clinton Public Hospital, through the raising, managing and distribution of funds for equipment and infrastructure to our hospital. The Foundation consists of a volunteer board of directors and one part-time employee, who work together towards our mission to support the purchase of capital equipment and upgrades to the infrastructure of our hospital, which is not otherwise funded.

Financial donations to the Clinton Public Hospital Foundation are welcomed and appreciated at any time, as there is always a need for private funding to reinforce the existing strengths of our hospital and to keep pace with future medical technology. Any donation, large or small, will make a difference for Clinton Public Hospital and the healthcare of our local, rural community.

Funds received from our donors allowed the Foundation to transfer \$1,009,410.12 in the 2020-2021 fiscal year. These funds supported the refresh of the operating room and medical devices reprocessing department, and the new bone mineral densitometry unit and suite (both pictured below). Additional projects supported through this disbursement include an eye trauma slit lamp, EGC machine with trolley and cart, 15 single channel IV pumps, a portable ultrasound unit, microsoft surfaces, charging stations, five isolation towers, and COVID-19 response equipment (negative air pressure machine, portable pressure monitor, ante room panel kit, tablet for screening/audits, protective screens for communication stations, workstations on wheels and vital signs towers).

For the 2021-2022 fiscal year, the Clinton Public Hospital Foundation Board of Directors has committed to disbursing \$465,000 to Clinton Public Hospital in support of recliner chairs for palliative room, a lift-recline chair and coffee tables for the in-patient lounge, a smart TV for the ED waiting room, two cardiac monitors, nine patient beds, two automatic dispensing cabinets, a bladder scanner, and two bariatric stretchers.

The Clinton Public Hospital Foundation Board of Directors and staff would like to thank our caring community partners, generous donors and wonderful volunteers for making our hospital a better place and for supporting our ongoing needs.

Clinton Public Hospital Auxiliary

The Clinton Public Hospital Auxiliary is a volunteer organization, which assists in the hospital where necessary and raises funds, which are given to the Clinton Public Hospital Foundation for the purchase of capital equipment.

Auxilians have opportunities to volunteer at the Clinton Public Hospital Gift Shop, volunteer at clinics, provide information and participate in the Unified Action Council, which includes a patient visiting program.

The Auxiliary hosts several fundraising events, which include tag days, barbeques, raffles, their annual penny sale and their annual Gift of Light celebration. Auxilians also have opportunities for education, by having guest speakers attend meetings.

Comradery, meeting new friends and sharing ideas are important roles of each Auxilian, as we strive to make a positive difference in the lives of our community members.

**Make a
difference!**

Individual support, support groups, education programs, the Tele-Care, Just For You Volunteer Companion Program, and the In-Home Recreation Programs are all offered virtually, over the phone, and in-person following Huron Perth Public Health recommendations.

The Alzheimer Society of Huron County continues to accept and welcome new clients and volunteers. If you are in need of support or have questions about programs and services, please call 519-482-1482 or 1-800-561-5012.

SUPPORT and EDUCATION

First Link Learning Series

The First Link Learning Series is comprised of five courses, each building upon another to help you better understand dementia, coping strategies, planning, resources, and supports.

Taking Control of Our Lives

A self-management program for people living with dementia and their care partners.

One on One Support

Free, confidential support services to individuals, families, and friends coping with Alzheimer's disease and other dementias.

SUPPORT GROUPS

Support groups are offered for both persons living with dementia and their care partners. Groups provide an opportunity to discuss topics related to dementia with others who truly understand. Groups are available in Clinton, Exeter, Goderich, Grand Bend, Wingham, and online. New members always welcome.

PROGAMS

Memory and Aging Program™

Developed for those who are experiencing normal age-related changes in memory or who are interested in learning more about this topic.

Minds in Motion®

An 8 week community based social program incorporates physical activity and mental stimulation for people with Alzheimer's disease and other dementias and their care partners.

Learning the Ropes for Living with MCI®

A 12 hour program aimed at community dwelling older adults experiencing Mild Cognitive Impairment (MCI) and their close family member/friend.

Huron Hospice

37857 Huron Rd., Clinton

Making Moments Matter in Central Huron

Compassionate care at the end of life is essential care in Huron County. For over 25 years, Huron Hospice has provided comfort, care and support to people who are at the end of life. Hospice volunteers are an important part of the circle of care which is provided in home, hospice residence, hospital, and long-term care settings. Since 2018 hospice care has been available in the hospice residence setting. By the end of 2021, 140 families accessed this essential end of life care at the hospice residence and 400 people received palliative care in their own homes or long-term care or in hospital. Today, Huron Hospice has become a centre of stability in Huron County.

In your Home - A dedicated team of volunteers are part of the circle of care providing companionship, listening and emotional support to people who are at the end of life. They offer respite for caregivers to take time away or rest. Our volunteers have respect for the privacy, dignity and self-determination of the person.

In Our Residence - Our four-bed hospice offers 24/7 care by nursing staff trained in end of life care. Care is provided as it would be in your own home. Our home includes private rooms with space for visiting family, a large living room to congregate, and a spacious kitchen to enjoy meals with family and friends.

Grief & Bereavement - There are many reasons for grief: the loss of a loved one, the loss of health, loss of a job or marriage or the letting go of a long-held dream. Dealing with a significant loss can be one of the most difficult times in a person's life. Dedicated staff and volunteer teams work one-on-one to help people to acknowledge loss. Grief groups are available.

Ways To Support

Every year the community rallies and contributes almost half of our operating funds. There are many ways in which you can support Huron Hospice.

Make Every Day Matter

Choose a day that is special to you (birthday, anniversary or memory of a loved one). On that day give a gift of \$1,000. That is \$250 four times a year or \$2.30 /day.

Donations In Lieu of Gifts

Many people choose to ask family and friends not to give a gift on their birthday, or special occasion. They ask that a donation be given to Huron Hospice in lieu of a gift.

Hike for Huron Hospice

Every spring people walk in support of Huron Hospice. Hike where you like, as part of this growing virtual event. You can walk 1km or 2.5km on a trail or in your neighbourhood. Every step you take helps fund compassionate care.

HURON HOSPICE (519) 482-3440 x6300 or www.huronhospice.ca

BUILDING DEPARTMENT

LOCATED AT THE BACK OF THE MUNICIPAL OFFICE

The Primary Role of the Building Department is to promote public safety and assist development in compliance with all applicable laws.

The Building Department is a multi-faceted department with its major roles including enforcement of the Ontario Building Code, Municipal by-laws, property standards, zoning administration and source water protection. The building department also oversees septic and plumbing permits and the required inspection services. These roles ensure compatibility and protection of adjacent land uses, maintenance and sustainability of properties and the quality of life for Central Huron residents and visitors.

BUILDING PERMITS

A building Permit is your formal permission to begin construction or demolition. It means that the Municipality of Central Huron has approved plans for a new structure, an addition, an alteration, a renovation or change of use of a structure.

Contact the Municipality of Central Huron if you are unsure whether you require a permit for your project. Even though your project may not require a building permit, you must still comply with the requirements of the Zoning By-Law and any other applicable laws. It is the property owner's responsibility to ensure that a Building Permit is obtained prior to any work starting, when required.

Approved Building Permit plans must comply with

the Ontario Building Code, local zoning by-laws and other applicable laws. Building permits regulate the type or use of a structure allowed within the community and ensures that building standards are met. The building permit process protects each property owner's interests, as well as the community at large and provides for the erection of safe, legal and sound structures.

WHEN DO I NEED A BUILDING PERMIT?

All new buildings, prefabricated buildings and accessory buildings over 10 square metres require a permit. Repairs, alterations, renovations and additions to existing buildings need a permit.

Swimming pools, sewage systems, plumbing alterations, mobile homes, temporary tents and structures need one as well. Demolitions also require a permit.

HOW DO I GET A BUILDING PERMIT?

Applications are available at the town hall or on the Central Huron website.

Submit your completed application and applicable drawings to the building department. They will be reviewed by the Chief Building Official and a permit issued if your plans comply with building regulations. You will need to set up building inspections as per the instructions on your permit.

**Any further questions call the Municipal Office
at 519-482-3997 or toll free 1-866-695-3364**

DIGITAL SIGN RENTAL

Digital sign rental:

One Year \$600, six months \$450, 3 months \$300. Let us know if you would like to take advantage of this promotional opportunity. Contact records@centralhuron.com

PROPERTY TAX INSTALLMENTS

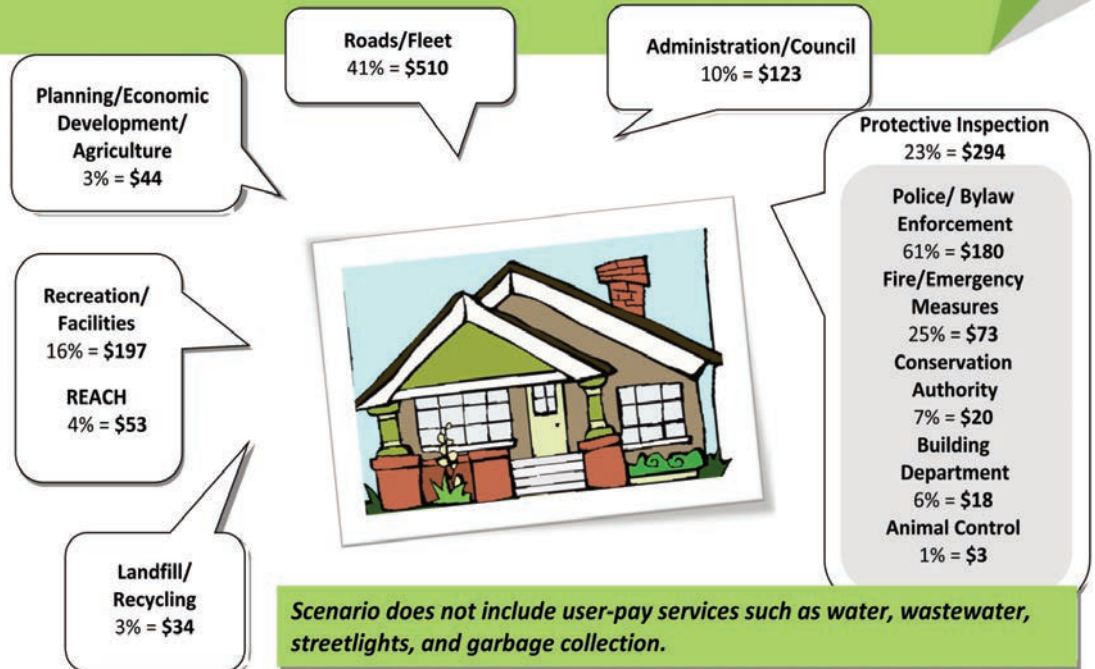

Interim Billing (based on 50% of 2021 taxes) 1st installment due March 31. 2nd installment due June 30th, 2022.

Final due dates September 29th and November 30th, 2022.

METHODS OF TAX PAYMENT

Splash Bash

Pad

Clinton Community Splash Pad

Sponsored by:

Albert Street “Royal Big Dig” 2021

We titled the project, “The Royal Big Dig” because the main streets in Clinton are named in honour of Queen Victoria and Prince Albert.

To kick off construction, we ran a colouring contest and the winner, “Queen Natalia”, was crowned as our official royal!

Queen Natalia cut the ribbon and took the ceremonial first shovel full of dirt at the beginning of the ‘Big Dig’. Now the project is finished and she officially re-opened Albert St.

Thank you to all of the crews that worked so diligently through sun, heat, rain and snow to complete the project. We appreciate you!

Final Touches For Spring 2022

As originally planned, Albert Street will get the top coat of asphalt in the spring. This scheduling allows for settling to happen over the winter. Then if there are any fixes needed, they can be done prior to the top coat being installed, rather than cutting through a completed new street.

Due to weather, it was decided to finish the Cenotaph Park in the spring.

 Graduations, even Weddings
 Full kitchen
 or catering available

About the Huron Fish and Game Club

-  Club was chartered in 1940, with a current membership of over 500.
-  3D Archery Course open Spring and Summer
-  •Member of the Ontario Federation of Anglers and Hunters, we also maintain a close relationship with
 - Canadian Wildlife Federation
 - Ducks Unlimited Canada
 - Huron Perth Wild Turkey Association
 - Ausable-Bayfield Conservation Association
-  Restricted Firearms Course
-  The club owns an 80 acre farm located on Fish and Game Line acquired from the estate of a charter member.
-  We have Spring, Summer and Winter sporting clay range. Open at 10am on Saturdays.
-  100 yard and 200 yard rifle range available
-  Club makes many donations annually, to local groups in and around Clinton.
-  The club maintains a close association with the Town of Clinton, providing use of Club owned land at the corner of Alma & Erie Streets as a ball diamond for local youth.

*your local partners in wildlife conservation,
 the Huron Fish and Game Conservation Club, Clinton*

*Proud to be an active
 part of our Community*

Hullett Marsh is a unique public outdoor recreational property

- Explore our trails and dyke systems that spans over many beautiful habitats and ecosystems.
- Enjoy this crown land on horseback, snow shoes, skies, canoe and of course on foot.
- Ideal for photography, hiking, canoeing, geocaching, dog training, horseback riding and hunting.
- Excellent hunting opportunities including waterfowl, pheasant and deer

Support Hullett Marsh and Friends of Hullett:

- Become a member
- Donate tools, money, materials and raffle prizes
- Volunteer your time
- Follow us on Facebook and Instagram
- Share your photos taken at Hullett Marsh with us
- Purchase our Pheasant Challenge raffle tickets
- Send us your photos of the marsh

Public Use Tips

As a self-serve, free-use property with 20 different access parking lots and 5,400 acres to explore, Hullett Marsh is a great place to get out and enjoy the outdoors. Safety is our #1 priority so we recommend familiarizing yourself with all the rules and regulations, as well as wearing orange or brightly coloured clothing before heading out and exploring.

We also recommend familiarizing yourself with a map of the property. Maps can be found at all 20 parking lots and also on our website. On our website you can also find some very helpful hunting and hiking tip sheets that will help to make your Hullett Marsh visit enjoyable and successful.

For more information or to contact Friends of Hullett:
Facebook: www.facebook.com/hullettmarsh

Email: fohoffice@tcc.on.ca
Instagram: [@hullett_marsh](https://www.instagram.com/hullett_marsh)

Phone: 519-482-7011
Website: www.hullettmarsh.com

Please review all rules and regulations as found in our User Guide before enjoying Hullett Marsh

2022 DOG TAGS

Dog tags and the related invoice will be mailed out the last week of January. The amount on the invoice is due no later than April 29, 2022. A late payment charge of \$20 will go on your account for each dog as of April 30, 2022. If you no longer have your dog please return your tag to the Municipal office. Invoices cannot be reversed until the tag is returned.

2022 Dog Tag Fee Schedule

• For each neutered male dog	\$20.00
• For each spayed female dog	\$20.00
• For each male dog	\$30.00
• For each female dog	\$30.00
• Staffordshire Terrier/Pit Bull	\$205.00
• Kennel License	\$150.00
• Replacement Tag	\$10.00
• Late penalty	\$20.00/per

AUBURN DOG PARK

The Auburn Dog Park is located behind the ball diamond. There is a laneway and parking area south of the diamond off Hardwood Line, so you can now drive quite close to the gates. The laneway is not accessible in winter, but the dog park gates are kept open throughout the year. You can walk or snow shoe in through the ball diamond. It is accessible in daylight hours only.

We have a small dog section and large dog section, both of which are fully fenced. There are picnic tables in both sections of the park, so bring a book and enjoy the day! Be sure to follow current COVID protocol. Please stoop and scoop and keep our dog park clean. There is a garbage can and doggy bags for waste. Please bring your own water for your pet.

Dog treats, leashes and toys are available for purchase at the Auburn Huron Bay Farm Supply.

To adopt a post in Memory of or in Honour of a beloved pet, contact the municipality at (519) 482-3997. Proceeds go towards park improvements, such as trees and flowers.

The Dog Park is close to the community playground, so there are lots of things for the family to do – both 2 legged and 4 legged! Come enjoy our village!

**WOULD YOUR FAMILY
ESCAPE A FIRE
IN YOUR HOME

Skating is free and there will be crafts and giveaways! When you need a break, create a warm and delicious masterpiece at the Hot Chocolate Bar. Date to be announced.

Central Huron's **FREE** Give Away Weekend

August 19-21, 2022

Don't put your unwanted items in the garbage.
Kick them to the curb!

Rules:

- Place items at the curb with a sticker or sign marked FREE
- Ensure any items that you want to keep are away from your set out treasures
- At the end of the weekend, bring uncollected items inside
- While shopping for curbside items, only pick up items marked as FREE

Give Away Ideas:

- Books, DVDs and board games
- Old furniture and small appliances
- Construction materials
- Kitchen gadgets, dishes, cutlery, pots and pans
- Unwanted gifts and more!

Please do not leave uncollected items at the curb after 6pm Sunday.
Quality donations accepted at Rack 'n Room in Clinton.
You may take unwanted items to the Mid-Huron Landfill Transfer Station. Fees will apply

Clinton is an Award Winning Shoppable downtown!

**With
push
buttons!**

& doorbells

**Clinton has
made it easier
to SHOP!**

With a nudge of your elbow, doors to your favourite shops will now open hands free and some have doorbells for your convenience!

Clinton won the "Award of Merit for Barrier Free Design" presented by Huron County Accessibility Advisory Committee

Thank you to the artists that created 157 masterpieces for The Back Alley Artist Extravaganza! The artwork came from five area schools, five seniors homes, many individual pieces, multigenerational pieces and some that were collaborations created by community groups.

If you would like to submit an art piece for 2022, please reach out to Angela Smith cic@centralhuron.com. See a short video to learn more about the project by visiting the website www.cchbia.ca

Artists of all ages participated in this project. The youngest contributor was nine months old, and we received an artwork that was created by someone that was 97. How wonderful that participants of the project spanned nearly 100 years!

Clinton's Back Alley Art Extravaganza is Huron County's largest public art exhibit and was recently recognized at the Spirit of Success Awards Ceremony. It was honoured with the "Goderich Signal Star Community Impact Award". CONGRATULATIONS to all artists for winning this award! Come again and see the wonderful artworks when we re-install them in the spring of 2022.

Find the main Artist Alley running behind Godfather's Pizza to Repurposed Artisan Designs and enter from Rattenbury Street East or Princess Street East. Don't forget to visit the mini Artist Alley behind Cornerstone Schoolhouse, with the entrance on Rattenbury Street West.

Artist Alley also features an Umbrella Alley!

These installations can be found around the world, offering shade and a pop of colour to small urban spaces. They have yet to become popular in North America, so Clinton's umbrella alley is one of the first of its kind!

Find our very own umbrella sky in the main Artist Alley behind Godfather's Pizza. It's a great photo and picnicking location!

Learning and Growing In The Garden!

The students of Cornerstone Schoolhouse adopted the community gardens on Albert Street in 2021. They learned about the environment, property maintenance, food production, harvesting and preparation.

Team work and research got them off to a great start. When asked about their garden, they gave the following report:

Clinton Community Garden 2021 Report

What went well?

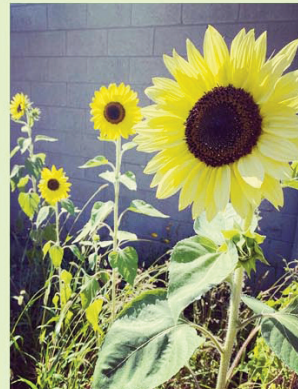

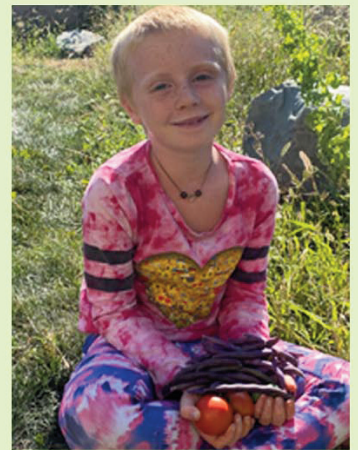

- Turning over the plant material and soil in the fall.
- Flowers & herbs grew well.
- We enjoyed tasting veggies
- Plotting of the garden.
- It was really fun to work together

What was a challenge?

- Watering it daily was a challenge
- The dirt was hard in the spring
- Delayed planting due to covid restrictions
- Weeding in summer when we were only at the school building part time.
- Dog poop around the garden.
- Not getting a good harvest because of soil quality, late planting, and watering difficulties.

What will we do differently next time?

- Turn the soil and plant the garden in late spring.
- Place ground cover and straw between rows to minimize weeds.
- Invite the community to help with watering and weeding.
- Learn about pruning and fertilizing the garden
- Post signs to scoop the poop
