

# Downtown Clinton Construction Update

August 6, 2021

Lavis plans on doing the following work next week:

- Water and storm service on Albert Street between Rattenbury Street and Park Lane
- Earth Excavation on Albert Street between Rattenbury Street and Park Lane
- Concrete sidewalk on Princess Street West (Weather permitting)
- String line for concrete curb on Park Lane (Weather permitting)
- water and storm services into the basements of buildings

## FIRE HYDRANT INSTALLATION

This week a new fire hydrant was installed outside of Repurposed Artisan Design on Park Lane. See pictures below of the back hoe lifting it into place and the workers attaching it to the water line. The waterlines all have a tiny blue wire attached to them. This is for future locating. The wire can be activated and then a utility locator can be used to find the line in the future. The

nuts and bolts are quite large as can be seen in the below picture.

You can watch the [Fire Hydrant Installation Movie](#) on the [Central Huron YouTube Channel](#).

## SAFETY REQUEST

### PLEASE STAY SAFELY ON THE OUTSIDE OF THE FENCE

Please stay on the outside of all construction fencing. If you aren't sure how to get to your destination, stand at the fence and wave, and a worker will come to your aid. The equipment operators are not expecting pedestrians in the work zone. Please make their job easier by staying safely on the outside of the fence.
