

RFP-FIRE01-2023 – Fire Apparatus

Addendum #1 – Q & A

September 5, 2023

1. Q: The RFP states on line #8 “The proposed apparatus shall be built by an ISO certified manufacturer to ensure that a quality control program will be in place through the entire build. The ISO certificate shall be provided as part of the proposal documents. Failure to provide the ISO certificate will result in an automatic rejection of the proposal.” Also states on line 9 “The bidder shall have a documented and certified ISO 9001 quality program in place. A copy of the certifications must be included with the bid submittal”

A: Yes – A copy must be attached to the bid document during submission. Upon review of the bid, the committee will review the inhouse quality control manual. If all processes appear to be equivalent or exceed ISO quality program, the inhouse quality control will be deemed equivalent and be accepted as meeting the ISO 9001 requirement.

2. Q: The RFP states on line #58 “Commercial General Liability insurance issued on an occurrence basis for an amount of not less than \$5,000,000 per occurrence for any negligent acts or omissions by the Contractor.”

A: Yes – a revision of not less than \$2,000,000 will be accepted

3. Q: Will Bids be received outside of the Biddingo website.

A: Yes, bids can be submitted directly to the Municipality at Bids@centralhuron.com.

It is important to note that this mail box is unmonitored and submissions will only be retrieved after the RFP has closed. Accordingly, any questions, request to recall a proposal or any other communication will be deemed to not have been received by the Municipality during the bid process.
